NOT A PERMIT

SPECIAL FILMING CONDITIONS
LINDA VISTA HOSPITAL (610 SOUTH SAINT LOUIS STREET)

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Affected residents/merchants/businesses within 500 feet of any filming activity, including equipment or cast/crew parking, must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **Cast and crew may not park on area streets.** Off-street parking must be provided.

- **Equipment parking is strictly limited to E/S of St. Louis Street from 6th Street south 400 feet (excluding red zones) and the private parking lots owned by the facility.** *Parking of equipment and cast/crew vehicles on 6th Street, Chicago Street or Inez Street is strictly prohibited.*

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.**, unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- **Trash and refuse must be removed from the area immediately after filming activities are completed.**

- **To ensure the safety of local school children, production companies parking on St. Louis Street will be required to have 1 LAPD officer at the intersection of 6th Street and St. Louis Street during school hours.**

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
